

Report

Abhijeet Rastogi, 3rd Year Student of **Computer Science and Engineering** department was selected from **Chandigarh College of Engineering and Technology** to attend a 2-day long introductory workshop about the **Google's Applied Computer Science with Android Program**. This was an opportunity that was open exclusively for ACM Student Chapter Members. The Faculty Mentor – Dr. Sunil. K. Singh nominated the candidates to Google India. out of which Abhijeet was selected by Google as a Google Facilitator for CCET.

The workshop was held at *Google India headquarters*, Bengaluru from *August 31,2017 to September 1, 2017*. At this workshop the facilitators were given a brief about the Applied CS with Android Program and responsibilities of a facilitator in their alma mater. The workshop also had talks by the Google Officials and the Program Coordinator.

The Aim of the Google Facilitator is to create a flipped classroom environment during the workshops that he holds in his College. The main aim of this program is to provide information to the attendees about data structures and their practical implementation by developing android apps.

Given below are some of the glimpses of the workshop.
