

Respected All,

Department of ECE, CCET (Degree Wing), Chd is organizing a Short term Course on **Optimization Techniques in Engineering** (27th May 2019 to 31st May 2019) in collaboration with Applied Science Department, NITTTR, Chandigarh. It is an interdisciplinary STC .Venue of the STC is Room No. 215 (Block A), CCET (Degree Wing), Chd.

All the interested participants/faculty are required to register online using STC/FDP management software of NITTTR, Chandigarh at <http://14.139.60.236/stconline1/index.php> .

The steps of registration are self-explanatory. It is mandatory for every participant to get first registered at NITTTR Portal. Registration fee is Rs. 100/- for one year. In case of any assistance, please contact: Er. Amrendra Sharan (phone number: 0172-2759664, email ID: amrendra@nitttrchd.ac.in)

For any information, feel free to contact the undersigned. Also, you are requested to let me know that you have registered for the STC.

Kindly circulate in your department so that maximum participants can take benefit from this STC.

Dr. Shilpa Jindal
