

Chandigarh College of Engineering and Technology (Degree Wing)

NSS CELL

NSS Unit, Chandigarh College of Engineering and Technology (Degree Wing), Sector 26 Chandigarh is going to organize a **7- days NSS Camp** from **16th February – 22nd February, 2018** based on the theme **“Swatchh Bharat Abhiyan And Digital India Cashless Drive”**.

The main aim of the camp is to spread awareness and enlighten people through our theme. The camp will focus on activities related to Swachh Bharat Abhiyan and awareness about benefits and use of cashless methods for making transactions. Further, the issue of women empowerment will also be addressed.

The camp will cover various expert talks on cashless India, Skill development, cleanliness, health women empowerment. The major activities will include blood donation camp, self defence training for girls, development of green belt, cleanliness drives in campus as well as nearby areas, awareness drive about cashless methods of making payments, cloth and books donation drive. The visit to blind school and other places will also be held. Other activities proposed are street play, poster making and slogan writing competitions.
