ORDER

All four branches of BE (1st Semester) are divided into groups of approximately 20 students each. Each group has been assigned a faculty mentor as well as a student mentor. The objective of the mentor will be to guide the students of his/her group in their entire academic as well as personnel grievances through interaction with them. It is suggested that the groups meet with their faculty mentors once a month within the semester. The groups are of course free to meet together on their own more often. The list of the mentors assigned to various groups of different branches is as follows:
