

## **Chandigarh College of Engineering and Technology (Degree Wing)**

### **Tree Plantation Drive (July 22, 2017)**

NSS unit and IIRC cell, Chandigarh College of Engineering and Technology (Degree Wing) organized a Tree Plantation Drive in association with Infosys on **July, 22 2017**. More than 100 saplings were planted throughout the campus. The volunteers from the college and Infosys worked hand in hand. The aim of the tree plantation drive was to plant more saplings which in near future would turn into trees and help cope up with climatic change caused by global warming. Principal CCET (Degree Wing) Prof. M. S. Gujral, Mr. Vikas Ahuja, Infosys Ltd and Prof. Sunil K Singh, Dean-IIRC, Er. Gulshan Goyal, NSS Program officer, Er. Ankit Gupta, Er. Mukesh Kumar and NSS volunteers were present during the drive.
