Subject: CHASCON-2022 (Participation/ Exhibition / Sponsorship)

Dear Sir / Madam,

Panjab University in collaboration with CRIKC institutes is organizing Chandigarh Science Congress, 2022 (CHASCON-2022) from September 15-17, 2022.

This is an occasion for the academic, research institutes / industry, scholars, scientists, faculty, experts to come together and deliberate and exchange views on developments in science and technologies. Opportunities exist for establishing collaborations, translations and capitalization of research ideas and industry-academia interactions. The deliberations in the events and participating institutes / organizations get wide coverage through press, social media and high footfall of visitors in the venue.

We urge your organization to actively participate in the congress. You are requested to nominate experts from your institute as speakers, panellist for panel discussions and participants in other activities during the congress. We also encourage an active participation by your organization members and the registration details are available on CHASCON website (<https://chascon.puchd.ac.in/>).

This year an important event in CHASCON-2022 is the congress exhibition. This is an opportunity to showcase your institute profile, share important developments in your organization with the wide audience and attract potential collaborations. There are also opportunities for sponsorships of events and the details are available on the website.

Since there are limited stalls / sponsorships you are requested to register at the earliest possible. The CHASCON-2022 event / sponsorship brochure and registration form is enclosed along with for your kind reference and we look forward to hear from you. We also request you to kindly display the CHASCON brochure on your institute / organization notice board.

Please feel free to contact me on my mobile number 9228379835 or through email ddsingh@pu.ac.in if you have any queries.

Thanking you and with warm regards

Yours sincerely
