

G20 PRESIDENCY EVENT REPORT OF DRAMEBAAZ

Dramebaaz , the official dramatics society of CCET, as part of the G20 presidency event, conducted an exciting Tableau competition on 12th May, 2023, in Block A, Pathshala of CCET. In a tableau, participants make still images with their bodies to represent a scene. A tableau can be used to quickly establish a scene that involves a large number of characters. Because there is no movement, a tableau is easier to manage than a whole-group improvisation. The competition showcased the dramatic skills of college students who participated with great enthusiasm. The activity was of 2-3 minutes and were evaluated by Isha Sarwan (HEAD), a third year Mechanical Engineering Student.
