

**CHANDIGARH COLLEGE OF ENGINEERING & TECHNOLOGY (DEGREE WING),  
SECTOR-26, CHANDIGARH**

To

The Superintendent Coordination,  
Chandigarh Administration.

Memo No. CCET/DG/Estt./2023/1179

Dated, Chandigarh the 02/06/23

**Subject: - Furnishing information on monthly achievements.**

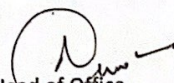

Reference your letter No. 9/5/56-IH(1)/2023/7785 dated 22-05-2023 on the subject noted above.

In this connection, it is intimated that the following achievements have been made by this Institute during the month of May, 2023:-

Sr. No.	Title of Best Practices implemented by your Department	Very Brief Description about the best practice	How it is beneficial to society
1.	G20 Events	<p>1. To celebrate India's G20 Presidency, Beatles official dance club of the college hosted a solo dance competition on 10th May 2023. The performances were diverse and showcased a wide range of Indian dance forms such as Kathak, Bhangra, contemporary dance and hip hop.</p> <p>2. Seven Notes, the official musical club of CCET, as part of the G20 Presidency event, organized an exciting singing competition on May 11, 2023. The competition showcased the musical talents of college students who participated with great enthusiasm.</p> <p>3. As part of the G20 presidency event, Dramebaaz, the official dramatics society of CCET, conducted an exciting Tableau competition on 12th May, 2023. The competition showcased the dramatic skills of college students who participated with great enthusiasm.</p>	This will be beneficial in making students aware of India's G20 Presidency. Further, it will result in overall development of students.
2.	IIC Events	The Institute Innovation Council (IIC) at Chandigarh College of Engineering and Technology (Degree Wing) organized two sessions on the topic "How to plan for Start-up and legal & Ethical Steps" on 12th May 2023. The speaker was Mr. Ajay Kumar Godara, Founder and Director of Enovate skill, Chandigarh. He motivated the students and taught them the way to proceed with the start-up challenges and find a solution to it. The event was impactful and highly encouraging for the students.	This will be beneficial to the researchers, academicians who are working in this field.
3.	Institute Industrial Relation Cell (IIRC)	Industry Institute Relation cell, in association with BIS, Sector 26, Chandigarh organized an Educational Exposure Visit for Govt Senior Secondary School, Kharar and Govt Senior Secondary School, Derabassi at Chandigarh College of Engineering and Technology, Sector 26 Chandigarh on 19.05.2023. Total 65 Students and 06 Teachers participated in the Visit. Faculty briefed the students about various domain of Engineering curriculum and campus life. This was followed by a tour to various laboratories of the institute. Officials present in the lab demonstrated the various instruments and their use to the students.	It helps students to learn how to use curiosity and creativity to find an innovative approach to difficult problems.

4.	Online e-books and e-Journals	In the interest of students, CCET (Degree Wing) Central Library has started the facility of online e-books/e-journals for the students as per AICTE norms. The online database has 226089 e-books.	It helps the students/research scholars in their projects/assignment and research work.
5.	Award of Medal/Prize/Merit Certificate at 70 <sup>th</sup> Annual Convocation, 2023 of Panjab University, Chandigarh.	Panjab University, Chandigarh awarded Gold Medal to three students of CCET (Degree) for securing 1 <sup>st</sup> Position in their respective department.	It will encourage the students to enhance their skills.
6.	Internship opportunities for students under the AICTE J&K Internship Scheme	CCET (Degree Wing) has enrolled for AICTE J&K Internship Scheme from the session 2023-24 and Dr. Bhasker, Prof. -ECE has been appointed as Nodal Officer for providing internship opportunities for students belonging to J&K U.T.	It provides exposure to the students of J&K and Ladakh to the academic culture at Higher Learning Institutes of India through J&K Internship.
7.	Placement of the students	During the month of May, 02 companies i.e. Jindal Saw Ltd. and Icuerious conducted the recruitment process. Two (02) students are placed during this recruitment process. During the session 2022-23, 42 no. of companies have visited the campus and 121 no. of students have been placed by T&P Cell till date.	Placement of an Institute shows reflection of learnings of the students and hence plays key role towards the Institute growth.
8.	Training under BIS Laboratory Internship Scheme of Civil Department	Twenty (20) students of Civil Engineering Department are participated in one-month training under Bureau of Indian Standards' Laboratory Internship Scheme and 04 students selected under this scheme.	It will encourage the students to enhance their skills.
9.	Training under BIS Laboratory Internship Scheme of Mechanical Department	Nineteen (19) students of Mechanical Engineering Department are participated in training under Bureau of Indian Standards' Laboratory Internship Scheme and 03 students selected under this scheme.	It will encourage the students to enhance their skills.

This issues with the approval of W/Principal dated 01-06-2023.
